

The Gary Bertwistle Mojo Roadshow

We are delighted announce that **Gary Bertwistle's 'Mojo Road Show'** is coming to the United Kingdom during October 2009.

This unique half day presentation will allow a limited number of delegates the opportunity to meet with Gary and explore in greater detail the issues around **MOJO**, 'thinking differently' and how to unlock your great ideas.

Having experienced Gary's keynote speech, many clients are seeing this event not only as the perfect chance to re-boot their Mojo during these challenging times, but also to introduce colleagues to a new way of thinking about creativity, performance, energy and success! The timings for each morning session will be **08:30 - 12:30**. Dates already confirmed are:

7th October at The Lowry, Manchester and **13th October at The National Portrait Gallery, London.**

Limited spaces can secured for an amazing **£99** plus vat (Includes a copy of Gary's first book, "The keys to Creativity", first the first 50 bookings).

I look forward to seeing you the autumn,

Richard
